MV Thorstar 2108S **Update 3**

Dear Valued Customer,

On behalf of our Principal, TS Lines Ltd, we wish to provide a further update regarding the Thorstar V 2108S.

TS Lines are continuing to work with the owners of the vessel to ensure the necessary repairs are completed as quickly as possible.

Regrettably, the owners have advised that subject to available resources, the repair works being undertaken in Sydney may take a further 2-3 weeks. These repairs are required before cargo operations can commence.

We will update you with estimated import cargo availability as soon as this information is available.

We apologise for this delay and thank you for your patience

Yours Faithfully,
